20%
market share target by year 3: 4,000 households

04 VALUE PROPOSITION

The only TABLET toothpaste and mouthwash made in Costa Rica

Fluoride Free

Plastic Free

Water Free

Local CR

- The only certified cosmetic tableting plant in the country with active permits: a high regulatory barrier for competitors.
- Clear functional difference from conventional and imported brands.
- Local production and a community of 4,000 customers: distribution and trust already built.

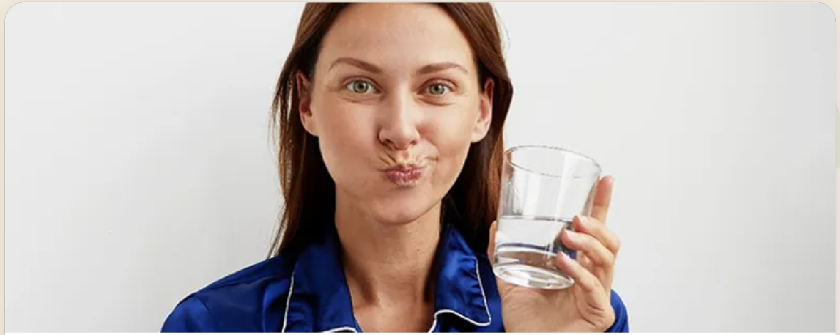

05 PRODUCT

Toothpaste tablets

Chew one tablet and brush with a wet toothbrush: it foams right away.

120 tabletas · ~2 meses de uso · empaque kraft compostable

Mouthwash tablets

Dissolve one tablet in 30 ml of water and it is ready to use.

120 tabletas · ~2 meses de uso · empaque kraft compostable

Why tablets? No water, no preservatives · No plastic, no waste · Easy to travel with · Made in Costa Rica
